

After 7 days, the flood waters came. Rain fell on the earth 40 days and 40 nights.

In each row, draw an X over the picture that does not match.

The waters flooded the earth for 150 days. But God kept everyone on Noah's ark safe.

Noah Gathers Animals in the Ark

After Noah built the ark, God told him, "Go into the ark, you and your whole family." They had been faithful to God.

Trace the letters.

God told Noah to take male and female pairs of every kind of animal and bird onto the ark.

Add the numbers under each line.
Write the sum on the line.

God said, “ days

Noah and his whole family got on the ark so they would be safe from the flood.

Pairs of animals, of birds and all those that move along the ground, came to Noah. They got on the ark, too.

Draw lines to connect each pair of animals.
